The 19th Annual International TCVM Conference will be held in Toronto, Canada from August 18 to 20, 2017. This will be the first ever Annual Conference to take place in Canada. This International TCVM Conference is co-sponsored by the World Association of TCVM and the Chi Institute. The Annual TCVM Conference provides a great opportunity for veterinarians to learn from the top TCVM experts, meet TCVM practitioners from all over the world.

Conference Theme
• TCVM for End-of-life Care: TCVM for Hospice and Palliative Care, tips to communicate with caregivers, how to support caregivers and veterinarians, how to relieve distress;
• TCVM for geriatric conditions: Including cognitive dysfunction, cancer, osteoarthritis, renal failure, heart failure, liver failure, Wei syndrome (rear weakness);
• TCVM for pediatric conditions: Including Orthopedic, Neurological, Gastrointestinal Immunological diseases, special food therapy and Tui-na for Pediatric Disharmonies;
• Rehabilitation to enhance acupuncture results.
