WCVD9 and the Webinar Vet are pleased to announce that in response to numerous requests, intending delegates can now register separately at www.wcvd-9.com for the highly acclaimed:

Feline Dermatology Stream

The registration fee of £100 permits access to 14 webinars (each with written proceedings notes) authored by Danny Scott (6), Linda Vogelnest (2), David Robson, Wayne Rosenkrantz, Kimberly Coyner, Meng Siak, Catherine Outerbridge and Mandy Burrows.

Registration for the main congress closes on December 31st 2020, but for the feline stream it is extended until January 31st 2021.

All of the recorded material is available until April 21st 2021

Note: for North American registered delegates the Congress material is RACE accredited.

A recent review and commentary of the feline stream by Professor Richard Halliwell concluded:

“This series of presentations, given by eight of the leading veterinary dermatologists in the world, covers a wide range of the most important feline skin diseases. They portray what can be regarded as the true state-of-the-art in the discipline. This is the best ever feline program”.

Registration for this will be open from 6th January on the WCVD9 website. Until then you can register your interest by emailing wcvd9@thewebinarvet.com and leaving your name, job title and email address.
