Dear Friends and Colleagues,

The new executive committee was elected at the AGM held in April, 2011. I would like to thank them for their support and all of the work that they have put into making 2011 a successful and productive year for the association.

Our membership is currently 209 which is slightly lower than last year (221) but higher than any other year.

The CPD subcommittee under the leadership of Tint Naing and Jane McNae has delivered a full schedule of CPD events throughout the year. The quantity of CPD being offered in Hong Kong by other organizations such as the CHKVA, ISFM and the CVE has also increased. As well as seminars and workshops there has been an increase in the amount of internet-based learning (webinars) and part-time correspondence Master's degrees. For more details you are encouraged to visit the new HKVA website.

The website was launched early in 2011 and offers the convenience of on-line registration and payment of CPD events and of course the annual membership fee. As it is December you are all strongly encouraged to renew your membership immediately by simply visiting www.hkva.org and following the links. The membership fee remains the same at HK\$500 per year and the life membership remains unchanged at HK\$5000.

We would like to thank everyone for their support of the new on-line registration system for CPD. We hope that you are finding it an improvement on the old system. The new system stores all notes,
